A big welcome back to Claire Sutton!

After a few months' break to have her third child, Claire made a welcome return to QVC this October. In her absence, we've been inundated with emails wishing her well, asking for an update on her family and wondering when she'll be back!

So, to answer your questions, the newest addition to Claire's family is a baby girl named Madelaine, who was born on June 24th. Her brothers Thomas, aged three and a half - who has Down's Syndrome - and two-year-old Joseph are delighted with their little sister!

As you can imagine, with three little ones to look after - not to mention a cat and a black labrador - Claire's had her hands full over the last few months. In fact, she's glad to be returning to QVC for a little peace and quiet! She took time out from her hectic schedule to choose a few of her favourite QVC products that are reflective of her life as a busy working mother...

818757 • from £95.00 (Single) - Northern Nights Featherbed & 2 Down Topped Pillows

With a new baby in the house, sleep is limited - so it's become a very precious commodity! When I do get to bed, I want it to be as comfortable and luxurious as possible. For a sound night's sleep, nothing beats a Northern Nights featherbed. Filled with uncrushable feathers, it cradles your body like a giant pillow. It's just like sleeping on a cloud!

215358 • £26.50 - Gatineau Oxygenating Exfoliator & Melatogenine Mask

Lack of sleep doesn't do your skin any favours. When I've been up half the night feeding Madelaine, my skin

can start to look a little lacklustre. I find Gatineau's Oxygenating Exfoliator just the thing to banish a dull, grey complexion and restore freshness and radiance.

822036 • £14.98 - Astonish 5 Piece 'No Scrubbing' Kitchen & Bathroom Cleaning Kit - QVC Price ~~£16.50~~

With small children around, I like to make sure my home is as clean and germ-free as possible. If, like me, you don't have time to be constantly cleaning, then the Astonish range is a lifesaver. This kit contains powerful cleaning tablets that will sterilise crockery, clean the toilet and dissolve grease and burnt-on stains from pots and pans - with no need to spend hours scrubbing away!

551244 • £29.56 - Lock & Lock 15 Pce Stackable Storage Containers with Dividers - QVC Price ~~£32.50~~

I find Lock & Lock containers absolutely invaluable. They're great for storing and transporting food and saving leftovers - you can simply pop them in the fridge or freezer until you want to use them. And because they're safe to use in the microwave, too, you can cook food in the same container you've stored it in - saving on washing-up!

217753 • £21.51 - Tony & Tina Universal Kisses Lipgloss Palette

As a busy working mum, I don't get much time for pampering myself or fussing with make-up. But, like most of us, I still like to look my best. Lip gloss is my number one make-up essential - however busy I am, there's always time to apply one of Tony & Tina's fabulous lip glosses. They're great for a low-maintenance look that instantly boosts your confidence.

728376 • £29.78 - Set of Five Interactive Singing Xmas Characters - QVC Price ~~£32.75~~

I'm really excited about Christmas this year, because for the first time Thomas, my eldest, will be old enough to start to understand what it's all about. And I just know he'll love these all-singing, all-dancing Christmas characters! No doubt they'll soon start to drive me crazy - but it will be worth it just to see the grin on his face!

**214368 • £24.00 - Decleor Aromessence Iris Night Balm**

I love this night cream! When my skin's looking tired, Decleor's Aromessence Iris Night Balm really helps to revive it. It has a lovely rich, melting texture that's great for stressed-out, dehydrated skin. Packed with essential oils, it helps to fight free radical damage and the signs of ageing.

**821355 • £209.94 - Polti Vaporetto 1500 Watt Super Heated Steam Cleaner - QVC Price ~~£231.00~~**

I've demonstrated Polti steam cleaners a number of times now on QVC - and each time I've been really impressed with how easily and efficiently they remove dirt. But I still haven't got around to buying one for myself! The steam kills bacteria on all kinds on surfaces - especially important when you've got pets around - and it's great at removing glued-on Weetabix, too! I also like the fact that you don't need to use any harsh chemicals. It's definitely next on my shopping list!
